

# HAPPY 2023!

We hope your year is off to a wonderful start – We hit the ground running in 2023 and are excited for the year ahead! While we still want to raise money, we also want to work on spreading awareness and expanding our network, all while providing fun opportunities for our supporters to come together to show up for William, and all the others living with AS!

**So, here's to 2023** – we hope you continue to fight with us (aka helping to cure the damn thing) so William can have a brighter future!

## Twin Cities is going **BLUE**, will YOU??

With the help from Julie W and another AS family, we have 6 infrastructures in the Minneapolis / St. Paul area lighting up in BLUE to help us bring awareness to AS on Feb 15: International Angelman Day (IAD)

This goes along with a [PRESS RELEASE](#), a possible Governor's Proclamation, and maybe even some media attention! Oh ... and William's teacher sent an ask to the ISD196 special ed staff asking them to go blue with us!
