

William just celebrated his 7th birthday and started 1st grade at Red Pine Elementary! His summer kicked off with his second trip to South Korea to visit his biological relatives. Upon return, he played baseball again this year, explored the town with his summer caregiver, and progressed in his swimming and jumping in skills! He also got to meet his AS friend, Payslie – she lives in Fall River, WI!

 Follow his journey and keep in touch on [instagram!](#)

Angelman Syndrome News:

- 2 active human clinical trials announced positive results in their Phase 2 clinical trials for AS – [Ultragenyx](#) and [lonis](#)!
- AS achieve initial wins in advocacy efforts from going to DC back in March – achieving something that typically takes years: [Read more](#).
- Actor, Colin Farrell, makes Angelman syndrome buzz worthy this summer opening up about his life with his son, James, who lives with AS and a new foundation he is starting for those living with intellectual disabilities: [Read more](#).

Thank you for those who came out to #WalkforAngelman back in May at our 5th [Angelman Syndrome Foundation](#) walk! Support of this event provides funds to AS families in need of everyday care, support, and resources.

If Will CAN, We CAN...

It was the perfect summer evening for the [Foundation for Angelman Syndrome Therapeutics](#) (FAST), in partnership with Will.i.CAN and Mighty Evie, to raise critical funds for Angelman syndrome research to progress towards a CURE for AS. We appreciate everyone who supported us in-person and virtually. THANK YOU!
